STAY INFORMED

An **independent newsletter** created by Formation et Sensibilisation Luxembourg asbl.

The aim is to inform about various **opportunities** within Luxembourg and beyond its borders for **youth and adults** and to empower them to become part of it. The newsletter will be published online every second week of the month. The **information**, published in the newsletter is taken from official websites of the partner organisations.

OUR PROJECTS FOR LUXEMBOURG RESIDENTS ONLY

TRAINING WORKSHOP “ARTINCLUSIVE”

The Training workshop “ArtInclusive” in Poland is about inclusion of people with disabilities, and more specifically their active participation in social life. It is for youth workers who would like to develop their competencies in work with youth with disabilities. During the project participants will have an opportunity to practice new methods and tools based on the use of various means of artistic expression and their subsequent implementation in life and youth projects.

The Training workshop “ArtInclusive”

Date: 20 – 28.04.2023,

Place: Poznań/Poland

Age group: 18+

Deadline: February 20

More information: <https://forms.gle/Bt3HRTYFfS83xNzg7>

Erasmus+

“CONSTRUCTING THE PRESENT FROM MOMENTS IN THE PAST” MOBILITY OF YOUTH WORKERS

The aim of the “Constructing the Present from Moments in the Past” project is to strengthen the specific skills of the participating youth workers in the field of historical-political education and thus strengthen the skills of the youth workers to critically address contemporary authoritarian-populist historical discourses, in the workplace and beyond, to counter the political radicalization of young people.

Date: 01 – 09.03.2023,

Place: Berlin/Germany

Age group: 18+

Deadline: March 20

More information: <https://forms.gle/Bt3HRTYFfS83xNzg7>

JOINT CALL HEALTHTECH 2023

Based on the strength of the first Joint Call HealthTech, the Ministry of the Economy, the National Research Fund and Luxinnovation join forces again to further build the collaboration culture between companies, research and healthcare organisations. This includes matching HealthTech products or services at prototype stage with research and healthcare expertise to co-develop and validate these solutions at a clinical level for the benefit of patients and deliver leading innovation.

The goal of the call is the development and validation of innovative digital health solutions benefiting the national healthcare (patients, healthcare professionals, payers), research and innovation ecosystems.

Deadline for submissions: 31 March, 2023.

OPEN CALLS FOR EU RESIDENTS ONLY

PHD PROGRAMME ON INNOVATION, ECONOMICS, GOVERNANCE AND SUSTAINABLE DEVELOPMENT (IEGSD)

The PhD programme on Innovation, Governance and Sustainable Development (IEGSD) offers high-quality education, training and supervision to its PhD candidates, leading to a doctoral degree from Maastricht University.

The PhD programme is part of the UNU-MERIT Graduate School and hosts over 100 PhD fellows working on a doctoral dissertation within the core disciplines of UNU-MERIT.

PhD fellows are expected to contribute to the UNU-MERIT research agenda or Comprehensive Innovation for Sustainable Development (CI4SD) collaborative research projects.

DEADLINE: 28 FEBRUARY 2023

More information: <https://www.merit.unu.edu/training/>

CALL FOR PARTICIPANTS: COMPASS TRAINING OF TRAINERS IN HUMAN RIGHTS EDUCATION 2023

The training course will develop the competencies of participants to act as trainers or multipliers for human rights education in the context of regional, national or local training courses organised by partner organisations making use of COMPASS and supporting the implementation of the Council of Europe Charter on Education for Democratic Citizenship and Human Rights Education.

The course is designed for participants who are:

- trainers or facilitators in non-formal education, especially within youth organisations and associations, in youth work activities and in other NGOs concerned with human rights education;
- teacher trainers with a multiplying role within formal education systems interested in introducing non-formal learning methodologies in their activities on HRE;
- Youth workers, human rights activists, and volunteers experienced in and intending to function as trainers and advocates for human rights education.

All candidates must apply online at <https://youthapplications.coe.int>

Deadline for applications: 31 January 2023, 23:59 CET

ANGEL'S BIENNIAL INTERNATIONAL CONFERENCE 2023

ANGEL Conference 2023 aims to bring together interested parties from all backgrounds for two exciting days of sessions showcasing and discussing research, projects, and new developments connected to Global Education and Learning or Global Citizenship Education, and other related fields such as Development Education, Human Rights Education, Education for Sustainable Development, Education for Peace, and Intercultural Education.

This event, which is free to attend, will prioritise transversal activities that promote and enrich connections between researchers, policy-makers, and civil society organisations, especially those which capitalize on the rare opportunity to gather face-to-face.

Participation can take the following forms:

- Full individual paper presentation (~15 minutes)
- Short individual paper presentation (~10 minutes)
- Symposium, workshop, or another special session (75 minutes suggested, but possible to schedule up to 120).

Deadline: 19 February 2023.
