The MIL in a Crisis Toolkit aims to **provide resources to youth workers and educators**, enabling them to teach **Media Literacy effectively**.

The MIL in a Crisis Toolkit provides:

A directory of Open Source software tools and services that support media literacy in health and wellness-related topics.

A directory of Creative Commons licensed learning materials that are free for adaption and reuse.

Best practice exemplars from around the world that demonstrate creative and innovative ways of teaching and learning about Media Literacy in times of crisis and pandemics.

In order to use the MIL in a Crisis Toolkit you need to

**Browse the webpage
<https://infodemics.eu/>**

Open the section toolkit

Chose the filters for your search

Open the examples and use them

**You can use two and more
filters at the same time**
